- Allowed Attempts 3
- Available Apr 9 at 12am - May 6 at 11:59pm

The project report and presentation components of your final course project will be submitted to a discussion thread that you will create. Please see instructions below.

Instructions:

1. Create a thread, in the title of the thread write "FirstName_LastName_Final Report_Presentation" then in the body of the thread attach your report and presentation using the "Insert File" button (paper clip icon) located on the Canvas toolbar.

2. Once you have uploaded your report and presentation you will need to read two of your classmates reports and presentations and make comments or ask them questions about their projects.

Scoring:

Both the report and the presentation will be worth 100 points. The report will be worth 10% of your final grade and the Presentation will be worth 10% of the final grade.
